Dear Christoph,

It is our great pleasure to inform you that **the Scientific Committee has selected your paper** "The informational content of prices when policy makers react to financial markets", **as one of the two best JM papers of this competition.**

Your paper will be awarded € 2,000 (gross of taxes). Rosita Ierardi will contact you soon for all practical issues.

I would also like to take this opportunity to confirm you that on **December 10-12, 2015** will take place in Girona the annual Spanish Economic Association Job Market http://www.asesec.org/simposio/mt_engl.htm. As winner of this competition, you'll have the chance, if you wish, to present your paper there. At this respect, I would be grateful **if you could confirm your attendance** at the event. If so, the Foundation will pay your stay and travel costs.

Congrats again!

Looking forward to hearing from you.

Best Regards
Annalisa
